# RULES, REGULATIONS & GENERAL INFORMATION

or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.
