SCHOOLING

- 1. Schooling will be allowed only in the designated schooling area.
- 2. For safety reasons schooling jumps may be restricted; these restrictions will be posted at the entrance to the schooling area.
- 3. The LAHJA may designate a schooling supervisor who will have authority in the schooling area during the finals.

WARM-UP CLASS

- 1. A warm-up class must be offered for each final and held in the same arena and under the same conditions as the scheduled final.
- 2. It is recommended that the warm-up class immediately precede the first round of the Medal Final.
- 3. The warm-up class is open only to those riders qualified for and entered in the final that the warm-up class corresponds to. A guest rider is not eligible for the warm-up class.
- 4. Riders may ride any horse of their choosing, but in no case may a rider participate on more than one horse.
- 5. The warm-up class will not be judged, but a posted order will be adhered to.
- 6. The warm-up class will be presided over by a USEF judge and riders must follow the posted course. Although the class is not judged, riders will be eliminated for the same things that constitute elimination in an equitation class.
- 7. The course will be set according to the same specifications as the first round of the corresponding medal final.

TECHNICAL DELEGATE

There must be a Technical Delegate (TD). The TD will be recommended by the Hunter/Jumper/Equitation Committee and approved by the Board of Directors. The TD will be responsible for interfacing with the Horse Show Management, officials, and exhibitors. The Association will be responsible for lodging (if needed) and a fee of \$275 per day.

- The TD will meet with the Executive Administrator and management in a timely fashion before the event to go over the class schedule and class specifications, and to make sure the judges are given copies of the class format prior to the competition. In the event of a cancellation due to severe weather or other emergency, refunds of entry fees must be made upon request by the exhibitor within 30 days of the cancellation.

5. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longueur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble. fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer

or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.
