THE FEI CODE OF CONDUCT

For the Welfare of the Horse

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 | Lausanne, Switzerland | Telephone: +41 21 310 47 47 The Code is available in English & French. The Code is also available on the FEI's website: www.horsesport.org

RULES, REGULATIONS & GENERAL INFORMATION

behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble. fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury of death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.
