A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A

horse may also become loose and cause injury to an observer or rider or to another horse—a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

## JP146 TABLE II—Classes scored on Faults and Time

3. Time first jump-off
  - f. Table II Sec.2(e)—Time first jump-off with designated number of competitors to jump-off. The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed, if any. Following the first round a pre-determined number of competitors based on faults and time will compete in one timed jump-off round in which time will decide in the event of equality of total faults from both rounds. One of the following options must be used:
    1. The pre-determined number must be from 6 to 16 but in no case more than the number of places to be awarded, the exact number to be indicated in the prize list (exception: all clear rounds return). The order of go for the jump-off round will be reverse order of scores (faults and time) from the first round. Adjustment of this order, in the case of one rider qualifying multiple horses, may be allowed at management's discretion.
    2. The pre-determined number must be from 6 to 16 but in no case more than the number of places to be awarded, the exact number to be indicated in the prize list. Those tied for the final predetermined number, including clear rounds, will be determined by their time in the first round. The order of go for the jump-off round will be reverse order of scores (faults and time) from the first round. Adjustment of this order, in the case of one rider qualifying multiple horses, may be allowed at management's discretion.
