

INTRODUCING OUR NEW NORTHERN CALIFORNIA SERIES FOR 2026

West Palms Events is launching a new series in 2026 for Northern California, with events at The Horse Park at Woodside, Murieta Equestrian Center, and Sonoma Horse Park. The series aims to raise the level of competition and reward consistent performance, offering a full range of classes and over **\$600,000 in prize money**.

The series will culminate in finals, offering substantial prize money, creating major incentives for competitors to stay engaged from spring through fall. Each Series will be adding a portion of each entry fee into a pool increasing the overall prize money for the series highpoint award. With meaningful payouts at every level, from Junior/Amateur to Grand Prix and Derby divisions, the series delivers both competitive classes and increased rewards.
