SHP EQUITATION TRANSPORTATION

CLASS #
750

ENTRY FEE
\$400/TEAM

SHP EQUITATION

Open to all riders. Teams of two will compete, and all teams must have at least one non-professional rider, but teams are not required to have a professional rider. One team member will compete over an equitation-style course of jumps not to exceed 2'9". The other team member will compete over the same course of jumps not to exceed 3'3". There are no restrictions on which team member can jump which height. Each team member will jump one round at their designated height and both scores will be added together for a team total. The top (3) scoring teams at the end of round one will be invited back for a work-off where scores will be zeroed. Both height sections of the top (3) teams will complete the work off and combined work-off scores will determine first thru third. The 2'9" section and the 3'3" sections will have different work off courses. Order of go in the work-off will be determined by first round team total, lowest to highest. Emphasis will be put on riding style, technique, and promptness in completing the course. Courses can include but are not limited to all USEF equitation tests and gymnastics elements. Riders and horses may only participate on one team. Riders that have won this class before may compete again, but may not compete on the same previously winning team.

SHP TRANSPORTATION

The following (8) pairs of 'SHP-branded transportation' will be on display throughout the competition. Prior to the start of Round 2, each team will submit a list ranking each transportation pair in order of preference. The winning team will be awarded their preferred transportation pair, followed by the 2nd place team, then the third place team, and so on...

STATEMENT OF HEALTH/VACCINATIONS, PER GR845 EQUINE VACCINATION RULE: At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Show Management. Competitors may be asked to provide proof of vaccination upon check-in or prior to entering the property.

EQUINE HEALTH REQUIREMENTS: Equine Health Requirements will be enforced. All horses (competing or not) that enter the grounds are required to present the Required Health Entry Requirements, including the Event Participation Declaration and Proof of Vaccination. All horses are subject to examination by SHP officials/designated representatives and/or state officials (collectively "officials") for determining whether such animals are, have been infected/exposed, or are likely to become infected with an infectious or contagious disease. If after such examination, officials have reason to believe that an animal's health condition places other animals at risk, such officials, at their sole discretion, may quarantine such animal (and others that may have been infected/exposed) or, if appropriate, require that such animals be transported off the grounds. All participants agree to fully cooperate with event officials and abide by their decisions and instructions. Failure to comply shall be grounds for immediate expulsion and potential disciplinary action by organization, state/local or federal animal health officials. All competitors are encouraged to review the equine health entry/transport requirements of the destination state prior to entry. Additional information can be obtained from the State Vet Office.
